Constitution

Article 1. This organization shall be known as the Florida State Horticultural Society, and its object shall be the advancement of Horticulture.

Article 2. Any person or firm may become an annual member of the Society by subscribing to the Constitution and paying three dollars. Any person or firm may become a perennial member of the Society by subscribing to the Constitution and paying the annual dues for five or more years in advance. Any person or firm may become a sustaining member of the Society by subscribing to the Constitution and paying ten dollars. Any person or firm may become a patron of the Society by subscribing to the Constitution and paying one hundred dollars.

Article 3. Its officers shall consist of a President, one Vice President for each section, Secretary-Treasurer, Assistant Secretaries, and Executive Committee of five, who shall be elected by ballot at each annual meeting. These officers shall take their positions immediately following their election. The duties of the Assistant Secretaries shall be outlined and supervised by the Executive Committee.

Article 4. The regular annual meeting of this Society shall be held on the second Tuesday in April, except when ordered by the Executive Committee.

Article 5. The duties of the President, Vice Presidents, Secretary and Treasurer shall be such as usually devolve on these officers. The President, Secretary and Treasurer shall be ex-officio members of the Executive Committee.

Article 6. The Executive Committee shall have authority to act for the Society between annual meetings.

Article 7. The Constitution may be amended by a vote of two-thirds of the members present.

Article 8. A section of the annual program of the Society shall be devoted to the discussion of sub-tropical fruits, exclusive of the commonly grown varieties of citrus fruits. This section shall be known as the Krome Memorial Institute. It shall be presided over by a fourth vice president who shall be elected by ballot at each annual meeting of the members in attendance at the Institute. The fourth vice president shall be an ex-officio member of the Executive Committee.

Article 9. The Executive Committee may, at its discretion and on the basis of merit, nominate not to exceed five persons in any one year, for Honorary Membership in the Society. Honorary members shall enjoy all privileges of the Society.

Article 10. A section of the annual program of the Society shall be devoted to the discussion of vegetables and other truck crops. This section shall be known as the Vegetable Section of the Florida State Horticultural Society. It shall be presided over by a Vice President, who shall be elected at each annual meeting of the Society by the members in attendance at the Session. The Vice President shall be an ex-officio member of the Executive Committee.

Article 11. A section of the annual program of the Society shall be devoted to the discussion of ornamentals. This section shall be known as the Ornamental Section of the Florida State Horticultural Society. It shall be presided over by a Vice President, who shall be elected at each annual meeting of the Society by the members in attendance at the Session. The Vice President shall be an ex-officio member of the Executive Committee.

Article 12. A section of the annual program of the Society shall be devoted to the discussion of processing. This section shall be known as the Processing Section of the Florida State Horticultural Society. It shall be presided over by a Vice President, who shall be elected at each annual meeting of the Society by the members in attendance at the Session. The Vice President shall be an ex-officio member of the Executive Committee.
1. The Society year shall be coextensive with the calendar year, and the annual dues of members shall be three dollars.

2. All bills authorized by the Society or its Executive Committee, for its legitimate expenses, shall be paid by the Secretary's draft on the Treasurer, O.K'd by the President.

3. The meetings of the Society shall be devoted only to Horticultural topics, from scientific and practical standpoints, and the presiding officer shall rule out of order all motions, resolutions and discussions tending to commit the Society to partisan politics or mercantile ventures.

4. All patron and life membership dues and all donations, unless otherwise specified by donor, shall be invested by the Treasurer in United States Government bonds. The earnings from these bonds shall be left as accrued values or reinvested in United States Government bonds of a guaranteed periodical value unless it is ordered by the Executive Committee or the Society that such earnings can be made available for operating expense. Receipts from perennial membership dues shall be placed on deposit at interest by the Treasurer. Only three dollars ($3.00) from each perennial membership fee shall be available during any calendar year for payment of operating expenses of the Society.
