

**PROCEEDINGS  
OF THE  
FLORIDA STATE HORTICULTURAL SOCIETY, 1950**

VOLUME LXIII

PRINTED 1951

**CONTENTS**

Officers for 1950 .....	IV
Officers for 1951 .....	V
Constitution and By-Laws .....	VII
Award of Honorary Memberships.....	IX
List of Members .....	XI
President's Annual Address, Leo H. Wilson, Bradenton.....	1
Partial Mobilization and the Florida Fruit and Vegetable Industry, Dr. J. Wayne Reitz, Provost for Agriculture, University of Florida, Gainesville .....	3

**CITRUS SECTION**

The Effect of 2,4-D on Pre-Harvest Drop of Citrus Fruit Under Florida Conditions, F. E. Gardner, Philip C. Reece and George E. Horanic, U. S. Department of Agriculture, Orlando.....	7
The Chemical Composition of Irrigation Water Used in Citrus Groves, I. W. Wander and H. J. Reitz, Citrus Experiment Station, Lake Alfred	11
Ground Water Resources of Florida, Herman Gunter, Florida Geological Survey, Tallahassee .....	17
Portable Irrigation on the Ridge, Morton Howell, Waverly.....	26
The Response of Young Valencia Orange Trees to Differential Boron Supply in Sand Culture, Paul F. Smith and Walter Reuther, U. S. Department of Agriculture, Orlando .....	29
Rio Grande Gummosis, Its Occurrence in Florida Citrus, J. F. L. Childs, U. S. Department of Agriculture, Orlando.....	32
Present Status of Spreading Decline, R. F. Suit and H. W. Ford, Citrus Experiment Station, Lake Alfred.....	36
The Purple Mite and Its Control, W. L. Thompson and J. T. Griffiths, Jr., Citrus Experiment Station, Lake Alfred.....	42
Florida's Stake in Plant Quarantine Enforcement, Avery S. Hoyt, Chief, Bureau of Entomology and Plant Quarantine, Washington, D. C.....	48
Possibilities for the Use of Concentrated Sprays on Citrus in Florida, James T. Griffiths, C. R. Stearns, Jr., and W. L. Thompson, Citrus Experiment Station, Lake Alfred.....	53

The Effect of Variable Potash Fertilization on the Quality and Production of Duncan Grapefruit, John W. Sites, Citrus Experiment Station, Lake Alfred .....	60
Panel on Parathion, Howard A. Thullbery, Lake Wales.....	68

## VEGETABLE SECTION

Control of Late Blight and Gray Leaf Spot of Tomatoes with New Fungicides, Robert A. Conover, Florida Agricultural Experiment Stations, Sub-Tropical Experiment Station, Homestead.....	89
Fertilizer-Insecticide Combination for Armyworm, Mole-Cricket and Wireworm Control, D. O. Wolfenbarger, Florida Agricultural Experiment Stations, Sub-Tropical Experiment Station, Homestead, and E. G. Kelsheimer, Florida Agricultural Experiment Stations, Vegetable Crops Laboratory, Bradenton .....	93
Toxic Insecticide Residues of Vegetables, J. W. Wilson, Florida Agricultural Experiment Stations, Central Florida Experiment Station, Sanford .....	95
Processing and Labeling Pesticides, M. C. Van Horn, Jacksonville.....	99
The Role of the Regional Vegetable Breeding Laboratory in Breeding and Testing New Vegetable Varieties, S. H. Yarnell, U. S. Regional Vegetable Breeding Laboratory, Charleston, South Carolina.....	102
New Vegetable Varieties for Florida, David G. A. Kelbert, Florida Agricultural Experiment Stations, Vegetable Crops Laboratory, Bradenton .....	108
Effect of Low Nitrate Nitrogen on Growth of Potatoes, Gaylord M. Volk and Nathan Gammon, Jr., Florida Agricultural Experiment Station, Gainesville .....	112
Effects of Soluble Soil Salts on Vegetable Production at Sanford, Philip J. Westgate, Florida Agricultural Experiment Stations, Central Florida Experiment Station, Sanford .....	116
A Nematode Attacking Strawberry Roots, A. N. Brooks, Strawberry Laboratory, Plant City, and J. R. Christie, U. S. Department of Agriculture, Sanford .....	123
Nitrogen Transformation in Seedbeds as Affected by Nematocidal Treatment, Ernest L. Spencer and Amegda Jack, Florida Agricultural Experiment Stations, Vegetable Crops Laboratory, Bradenton.....	125
Graywall of Tomatoes, Warren N. Stoner, Florida Agricultural Experiment Stations, Everglades Experiment Station, Belle Glade.....	129
Quality of Florida Potatoes and Some of the Factors Affecting Quality, R. E. L. Greene, Florida Agricultural Experiment Station, Gainesville .....	136
Mulching Vegetable Crops with Aluminum Foil, Donald S. Burgis, Florida Agricultural Experiment Stations, Vegetable Crops Laboratory, Bradenton .....	141
Transitory Effects of 2,4-D on the Watermelon Plant When Absorbed Through the Roots, Clyde C. Helms, Jr. and G. K. Parris, Florida Agricultural Experiment Stations, Watermelon and Grape Investigations Laboratory, Leesburg .....	144

## PROCESSING SECTION

Comparison of Plating Media Used for the Estimation of Microorganisms in Citrus Juices, E. C. Hill and L. W. Faville, Citrus Experiment Station, Lake Alfred .....	146
Relative Efficiencies of Several Liquid Presumptive Media Used in the Microbiological Examination of Citrus Juices, L. W. Faville and E. C. Hill, Citrus Experiment Station, Lake Alfred.....	150
Storage Changes in Citrus Molasses, R. Hendrickson and J. W. Kesterson, Citrus Experiment Station, Lake Alfred.....	154
An Index of Pasteurization of Citrus Juices by a Rapid Method of Testing for Residual Enzyme Activity, Theo. J. Kew and M. K. Veldhuis, U. S. Citrus Products Station, Winter Haven.....	162
Storage Changes in Frozen Concentrated Citrus Juices—Preliminary Report, Edwin L. Moore, Richard L. Huggart, and Elmer C. Hill, Citrus Experiment Station, Lake Alfred.....	165
A Method for Estimating Soluble Solids in Dried Citrus Pulp, Owen W. Bissett, U. S. Citrus Products Station, Winter Haven.....	174

## ORNAMENTAL SECTION

The Genus Allamanda in Florida, Egbert S. Reasoner, Bradenton.....	179
Some Ornamental Trees and Shrubs Native to South Florida, Geo. D. Ruehle, Florida Agricultural Experiment Stations, Sub-Tropical Experiment Station, Homestead .....	180
The American Hibiscus Society, Norman A. Reasoner, Bradenton.....	183
Interesting Uses of Woody Plants, George L. Taber, Glen St. Mary.....	187
Soil Sterilization, H. N. Miller, Florida Agricultural Experiment Station, Gainesville .....	190
Greenhouse Foliage Plants in Florida, Peter Pearson, Plymouth.....	192
The Daylily in Florida, Wyndham Hayward, Winter Park.....	194
Horticultural Research with Camellias, G. H. Blackmon, Florida Agricultural Experiment Station, Gainesville.....	198
Notes on Camellia Diseases, Erdman West, Florida Agricultural Experiment Station, Gainesville .....	200
Factors Affecting the Keeping Quality of Cut Flowers, R. D. Dickey, Florida Agricultural Experiment Station, Gainesville.....	203
Insect Control on Ornamental Plants of the Home Garden, L. C. Kuitert, Florida Agricultural Experiment Station, Gainesville.....	206

## KROME MEMORIAL INSTITUTE

Fairchild Tropical Garden, Charles H. Crandon, Coconut Grove.....	209
Radio Garden Clubs, Pasco Roberts, St. Petersburg.....	213
We Make A Men's Garden Club Tick, Bert Livingston, Tampa.....	215

Fruit Gift Packages, Edward A. Ash, Homestead.....	217
Observations of Some of the Newer Mangos During the Year of 1950, L. H. Zill, Delray Beach .....	219
Monthly Meetings on Tropical and Sub-Tropical Fruits, M. U. Mounts, West Palm Beach .....	220
Marketing Fresh Lychees, DeWitt Eaton, Sarasota.....	222
A Survey of Diseases Lethal to Tahiti (Persian) Limes in Dade County, C. M. Gates and M. J. Soule, Jr., University of Miami, Coral Gables....	225
Packaging and Storage of Persian Limes, Margaret J. Mustard, University of Miami, Coral Gables.....	228
Studies of Stylar End Rot of Tahiti Limes, Robert A. Conover, Florida Agricultural Experiment Stations, Sub-Tropical Experiment Station, Homestead .....	236
Twenty Years After, H. S. Wolfe, College of Agriculture, University of Florida, Gainesville .....	240
Tropical and Sub-Tropical Fruits in Pinellas County, C. E. Ware, Clearwater .....	245
The Future of Tropical and Sub-Tropical Fruits in Florida, E. V. Faircloth, West Palm Beach .....	247
The Propagation of Sub-Tropical Plants by Cuttings, A Progress Report, J. J. Ochse and J. B. Reark, University of Miami, Coral Gables.....	248
Weed Control Studies Around Young Avocado Trees, Roy W. Harkness, Florida Agricultural Experiment Stations, Sub-Tropical Experiment Station, Homestead .....	251
The Introduction into the United States and the Culture of Eleocharis Dulcis, The 'Matai' of China, G. Weidman Groff, Lingnan Plant Exchange, Laurel .....	262
Additional Notes on Mango Budding, S. John Lynch and Roy Nelson, University of Miami, Coral Gables.....	266

## ANNUAL REPORTS

Report of Executive Committee.....	269
Report of Treasurer.....	270
General Business Meeting of Society, Winter Haven, Oct. 31, and Nov. 2, 1950 .....	271
Resolutions .....	271
Necrology Committee .....	272
